Kids Helping Kids, a Pathway Family Center works very hard to keep our fees as low as we possibly can. We work with supporting friends of Kids Helping Kids, a Pathway Family Center so that we can offer Program Participants, who qualify according to the sliding fee scale, a cap on their out-of-pocket expenses for treatment. This is made possible through Kids Helping Kids, a Pathway Family Center Scholarship program.

At admission, Program Participant will self-report their income. If the Program Participant does not bring in the information, no discount will be given.

LIABILITY COVERAGE HOLD HARMLESS

As a participating parent with Kids Helping Kids, a Pathway Family Center treatment, I understand my child will be staying in another family's home (Host Home). I also understand that as a future Host Home parent I will have other adolescents in my home.

While my adolescent is in another Host Home, I agree to hold harmless in case of accident or injury, those parents that have so graciously agreed to have my adolescent in their home during treatment at Kids Helping Kids, a Pathway Family Center. I understand that I am responsible for accidents or injury caused by my adolescent.

I further agree to carry a Home Owners Insurance Policy with liability coverage up to Three Hundred Thousand Dollars (\$300,000.00) to cover the cost of a possible injury or accident in my own home or in someone else's home. In addition to Home Owners, I will have the standard Auto Insurance that will cover the cost of an accident while my child is in another car.

I do understand that it is my option, but recommended to add an umbrella insurance policy to my existing homeowners that will cover auto and home accident up to One Million Dollars (\$1,000,000.00) or Three Million Dollars (\$3,000,000.00). I understand that the cost of this additional umbrella policy is about One Hundred Fifty Dollars (\$150.00) a year.

TEMPORARY HOST HOME AGREEMENT

I agree to provide a host home for Kids Helping Kids, a Pathway Family Center, clients other than my own child. I understand assignments will be made for clinical and security reasons at the discretion of staff.

I agree to provide properly situated smoke alarms and fire extinguishers and to secure my home with alarms. I agree to have all alcohol and non-prescription and prescription drugs locked up, as well as knives and any other things that staff would view as a potential weapon or harmful substance if swallowed.

I agree to provide and have approved a fire escape and disaster plan for my host home. I agree to review the approved plan with my host household monthly, and review with any new clients I have in my host home. I also agree and understand that my host home might be subjected to a re-inspection by the staff at Kids Helping Kids, a Pathway Family Center.

I agree to provide sleeping accommodations, sanitary conditions and nutritious breakfasts and snacks and other meals missed at the program. Also important, I agree to provide an emotionally warm environment for my host children as other families did for my child.
